PHI 73/24 Evaluation of the Prescribed List reforms – Release of baseline report

We have released the baseline evaluation of the Prescribed List reforms final report.

Date published: 18 October 2024

PHI circular type: PHI announcement

Audience: General public

This circular is to advise stakeholders of the publication of the [baseline evaluation of the Prescribed List reforms - Final report](#).

The baseline report provides the status of the key projects at the start of the Prescribed List reform program, and how each project will lead to the achievement of the reform objectives.

The baseline report was prepared by an independent reviewer, following feedback from the Prescribed List Reform Evaluation Advisory Group.

Read more on the [evaluation of the Prescribed List reforms](#).

Please note that the report uses the previous terminology – Protheses List – as it is a baseline report.
